

Pacific Northwest On-Board Services

Welcome aboard Amtrak

In addition to spectacular views and wide, comfortable seats, Amtrak's Pacific Northwest trains offer a variety of amenities to make your trip more enjoyable:

Fresh Pacific Northwest Foods

Pick up meals and snacks “to go” in our bistro and cafe lounge cars or enjoy at-table service and spectacular views in our dining car, now available on many trains. Fresh, local products are delivered daily to Amtrak’s Pacific Northwest trains. Dining car seating is limited and offered on a first-come, first-served basis. Food service cars are located near the center of the train.

Ivar’s Famous Clam Chowder

Enjoy a cup or bowl of Ivar’s hot, creamy New England-style (white) clam chowder. Ivar’s chowder is an unbeatable Northwest classic.

Seattle’s Best Coffee

Their name says it all. Rich, smooth and flavorful. Amtrak offers SBC Breakfast Blend.

Tim’s Cascade Potato Chips

Treat yourself to the hearty flavor and crunch of Tim’s Cascade Potato Chips. Tim’s chips are sliced thicker for more real potato flavor.

Larry’s Markets

Every day, Seattle’s Larry’s Markets prepares fresh, preservative-free entrees, salads, and sandwiches for our passengers. From fresh baked bread and apple barrel roasted chicken to poached salmon en crouete, our menus change as the seasons (and your tastes) change. Vegetarian selections are available. Ask your attendant for today’s menus.

Red Hook ESB

Visit the dining, bistro, or cafe car and order the number one specialty draft beer in Washington State: a cold, crisp Red Hook Extra Special Bitter.

Covey Run Wines

Pacific Northwest wines are recognized worldwide. Amtrak offers Chardonnay and Merlot from Yakima Valley’s Covey Run winery.

Henry Weinhard Root Beer

Rich and refreshing, enjoy an icy cold bottle of Oregon’s best root beer.

Amtrak Attire

Caps, T-shirts, and buttons celebrate Amtrak’s unique Pacific Northwest trains and service.

On-Board Amenities

Newspapers and Magazines

Today's local newspaper and recent magazines are available free of charge for your reading pleasure. Look in the overhead bin or racks at the front of your coach.

Movies

Recently released films are offered on many Amtrak trains. Ask the attendant about availability. Personal reusable headsets may be purchased for a nominal charge in the bistro car and in coaches before the movie starts.

Safety

Please take a moment to locate the emergency exit and read the informational brochure located in the seat back pocket in front of your seat.

European-style Trains

Spanish-built Talgo trains serve many Pacific Northwest schedules. New, custom-built European-style trains are on order to better serve our customers with reduced travel times, improved amenities, and added safety. These new trains will replace existing trains on all local Pacific Northwest routes.
